

Trinity Academy's Enhanced Shopping Card Program

We're pleased to share some exciting news-we will now be partnering with Great Lake Scrip to expand and enhance our shopping card program. Great Lake Scrip is a well-known provider of scrip (gift cards) to non-profits and we will have full access to ShopWithScrip.com - the free online family ordering and scrip management website.

Many popular retailers participate in our scrip program including Target, Lowe's, Amazon, Kohls, The Gap, Shell, Best Buy, Toys R Us, Dunkin Donuts and many, many others. Click here to see the full list of participating retailers.

How does it work? It's simple - just like the program we've had for years, participating retailers agree to sell gift certificates to our organization at a discount. Families like yours buy the certificates for full face value, they redeem them for full face value, and our school keeps the difference as revenue. Everybody wins!

What is new for Trinity?

- Order cards on-line 24/7 at shopwithscrip.com
- Hundreds of participating retailers
- Track your purchases and progress towards your fundraising goal online - at your convenience!
- Take advantage of "Presto Pay" - Great Lake Scrip's online payment system. With Presto Pay you also get:
 - "Reload" - reload a gift card that was purchased earlier from Great Lakes Scrip Center.
 - ScripNow! eCards* - delivered electronically directly to your ShopWithScrip account in minutes

What is changing?

- By partnering with Scrip we have expanded the list of available cards, but they all have different contribution percentages. So rather than tracking the face value of your purchases, we will instead be tracking the profit amount. **Each family will be required to earn \$150 in profit for Trinity Academy.**

For example, if you purchase one (1) \$100 Home Depot card with a 4% contribution you will earn \$4; if you purchase one (1) \$100 Bloomingdales card with a 12% contribution you will earn \$12 in profit. The contribution amount of each card is shown when you order it and is also included in your order summary.

- The ShopWithScrip website keeps track of your purchases and you can check your family's profit amount at any time, online!

What about the Shopping Card table and Finer Photo?

- We hope that families will take advantage of the on-line system, but we recognize that there may be times when you prefer to purchase cards at the table. The shopping card table will be open Tuesday afternoon and Wednesday and Friday mornings. Cards will also continue to be available at Finer Photo. Please note that only the following cards will be kept "in stock": Foodtown, ShopRite and Stop & Shop. Cards purchased at the table and Finer Photo will be added to your Shop With Scrip account for tracking your profit earnings.

How will we get credit for purchases made over the summer?

- We will add any purchases made over the summer to your ShopWithScrip account. These purchases will be added to your account by September 30, 2011.
